*“When this ceased to be the only burial ground of the English, I cannot say. I would suggest enclosing this hallowed spot with a durable fence and red cedar posts. Then it would be a landmark, and many a pilgrimage would be made to this spot.”*

**Letter to the Editor of the Inquirer, September 1, 1838**

**At last, thanks to the good will of many people, such pilgrimages may commence as we rededicate the Founders Burial Ground today.**
